TEST METERS

Non Contact Voltage Detector

Safe non contact detection of voltages from 70V to 440V.
On detection emits a loud audible indication and flashing LED.
Batteries Included.

Description	Part No.
Voltstick	STMETER20

MCB & Fuse Finder

Three testers in one two piece kit.
Identify circuit breaker to an electrical socket.
Trace AC cables in walls and sort wires in a bundle.
Special coded transmission with cable tracing depth up to 40cm.
Audible and visual indicators.
Batteries included

Description	Part No.
Two Piece Fuse Finder Kit	STMETER50

Digital Pocket Multimeter

Tiny Innovative full featured multimeter 10mm thick and weighs less than 90g.
Large display, simple interface with easy one touch control.
Progressive design with many remarkable features including.
Built in non contact AC voltage detection.
Auto selection between resistance and AC or DC volts.
Batteries, test leads and holster included.

Description	Part No.
Pocket Digital Multimeter 600V AC/DC	STMETER05

Multimeters

Two General purpose multimeters with design and function innovations.
Compact high sensitivity Analogue with 5 functions and 15 ranges.
Current 250 mA DC, Resistance to 2M Ohms.
Compact full purpose digital multimeter with 10 functions and 27 ranges.
Current 200 mA AC/DC, Resistance to 20M Ohms.
Non contact voltage detection, Diode test, Min / Max recording,
Battery test.
Batteries, test leads and holster included.

Description	Part No.
Analogue Multimeter 500V AC/DC	STMETER08
Digital Multimeter 750V AC, 1000V DC	STMETER05

Clamp Meter

Non intrusive measurement for safe live diagnosis with minimum disruption.
Large backlit blue fully automatic digital display for Vac, Vdc & Ohms.
Simple one button control with data hold function.
AC current to 600A, AC/DC volts to 750 V /1000 V.
Batteries included.

Description	Part No.
Clamp Meter Auto Detecting	STMETER71

TestCheck 10 - BS7671 Check Box

17th Edition Test instrument calibration checker providing the perfect solution to self certification.
Will check all makes of Loop, RCD, Insulation / Continuity and DMMs.
Extends calibration period though regular checking, ensuring instruments read correctly at all times.
Avoids expensive and time consuming re-tests.
Can be used as a proving unit for 2 pole testers.
Optional log book allows traceability for all checking, and self adhesive labels.

Description	Part No.
TestCheck 10 Calibration Checker	STM10CHECK
A4 TestCheck Log Book and Labels	STM10LOG

CERTIFICATES, SAFETY SIGNS & LABELS

Safety Signs and Labels

Any size, type and quantity of Label, Sign or Legend Plate can be ordered. Either engraved, printed, flexible or rigid. Ask at your local Senate branch for details of our express service.

Description	Part No.			
Rigid Engraved				
Danger 230 Volts	75 x 25	5	Yellow / Black	SEIS1105EN
Danger 400 Volts	75 x 25	5	Yellow / Black	SEIS1205EN
Danger 415 Volts	75 x 25	5	Yellow / Black	SEIS0305EN
Rigid Self Adhesive PVC				
Danger 230 Volts	75 X 75	5	Yellow / Black on White	SEIS1705RP
Danger 230 Volts	75 x 25	5	Yellow / Black on White	SEIS1805RP
Danger 230 Volts	150 x 225	1	Yellow / Black on White	SEIS4901RP
Danger 240 Volts	75 X 75	5	Yellow / Black on White	SEIS1305RP
Danger 240 Volts	75 x 25	5	Yellow / Black on White	SEIS1405RP
Danger 400 Volts	75 X 75	5	Yellow / Black on White	SEIS2505RP
Danger 400 Volts	75 x 25	5	Yellow / Black on White	SEIS2605RP
Danger 400 Volts	150 x 225	1	Yellow / Black on White	SEIS5101RP
Danger 415 Volts	75 X 75	5	Yellow / Black on White	SEIS2105RP
Danger 415 Volts	75 x 25	5	Yellow / Black on White	SEIS2205RP
Do Not Switch On Electrician Working	150 x 225	1	Yellow / Black on White	SEIS1301RP
Electric Shock/First Aid Notice	280 x 420	1	4 Colour on White	SEIS2401RP
Self Adhesive Vinyl				
Danger 230 Volts	75 X 75	10	Yellow/Black On White	SEIS1910SA
Danger 230 Volts	75 x 25	10	Yellow/Black On White	SEIS2110SA
Danger 240 Volts	75 X 75	10	Yellow/Black On White	SEIS1510SA
Danger 400 Volts	75 x 25	10	Yellow/Black On White	SEIS2210SA
Danger 400 Volts	75 X 75	10	Yellow/Black On White	SEIS2710SA
Danger 415 Volts	75 x 25	10	Yellow/Black On White	SEIS0310SA
Danger 415 Volts	75 X 75	10	Yellow/Black On White	SEIS2310SA
Danger 415V Between Phases	75 x 25	10	Yellow/Black On White	SEIS4110SA
Danger High Voltage	75 x 25	10	Yellow/Black On White	SEIS3610SA
Harmonised Cable Notice	130 X 60	10	Yellow/Black On White	SEIS6010SA
Warning Isolate Elsewhere	75 x 25	10	Yellow/Black On White	SEIS0110SA
Warning Isolate Elsewhere	75 X 75	10	Yellow/Black On White	SEIS3110SA
Warning More Than One Point Of Isolation	75 X 75	10	Yellow/Black On White	SEIS6810SA
Mixed Cable Notice	130 X 60	10	Yellow/Black On White	SEIS5810SA
Periodic Inspection Label	130 x 60	10	Black/Red On Matt White	SEIS5610SA
R.C.D. Test Label	130 x 60	10	Black/Red On Matt White	SEIS5710SA
Safety Electrical Connection	75 x 25	10	Black/Green On Yellow	SEIS0610SA
Earth Provisions Labels	75 x 75	10	Yellow/Black & Red On White	SEIS7910SA
Self Adhesive Vinyl On A Role				
Danger 400 Volts	75 x 25	250	Yellow/Black On White	SEIS28250R
Danger 415 Volts	75 x 25	250	Yellow/Black On White	SEIS24250R
R.C.D. Test Label	130 x 60	100	Black/Red On Matt White	SEIS72100R
Harmonised Cable Notice	130 X 60	100	Yellow/Black On White	SEIS61100R
Periodic Inspection Label	130 x 60	100	Black/Red On Matt White	SEIS54100R
Earth Provisions Labels	75 x 75	100	Yellow/Black & Red On White	SEIS80100R
Mixed Cable Notice	130 X 60	100	Yellow/Black On White	SEIS59100R
Safety Electrical Connection	75 x 25	250	Black/Green On Yellow	SEIS64250R
Danger 230 Volts	75 x 25	250	Yellow/Black On White	SEIS20250R
Pass Test Labels Small	35 x 15	250	Green On White Matt	SEIS49250R
Pass Test Labels Large	42.5 x 32.5	250	Green On White Matt	SEIS48250R
Self Adhesive Write On Vinyl				
Fail Test Labels Small	35 x 15	50	Red On White Matt	SEIS2050SA
Fail Test Labels Large	42.5 x 32.5	50	Red On White Matt	SEIS2550SA
Pass Test Labels Large	42.5 x 32.5	50	Green On White Matt	SEIS2650SA
Pass Test Labels Small	35 x 15	50	Green On White Matt	SEIS1750SA
High Conductive Current Labels	75 X 65	10	Yellow/Black On White	SEIS7010SA
Rigid PVC				
Safety Electrical Connection	80 x 35	5	Black/Green On Yellow	SEIS0605RP

Inspection Certificates

A4 pads of unbranded certificates for professional test documentation.

Description	Part No.
Electrical Installation Certificate	STM01CERT
Periodic Inspection Certificate	STM03PERD
PART P Test Certificates	STM07PP
A4 TestCheck Log Book and Labels	STM10LOG
Inspection & Test Schedule	STM05IT12
12 Way Boards	
Inspection & Test Schedule	STM06IT36
36 Way Boards	

Customised Labels & Engraving

Fast response to enquiries.
Any quantity supplied from 1-1000.
Latest computerised sign making equipment used.
Sockets/Grid Plates, Bakelite or Metal, Engraved & Filled to suit.
Customised PAT Test labels designed to meet your requirements.
Available on a roll or in sheet form.
Can Include - your name, logo and telephone details.

Test Meter Calibration

All branches hold two calibration days every year that are well publicised locally.

The service is comprehensive, reliable and certified.

Branches will be delighted to register your interest and ensure that you are contacted in good time so that we can either arrange collections of your instruments or to remind you of the calibration day.

This service is available for all the popular makes and can normally be carried out on the same day.

Certain makes and types of instruments may require the use of specialist equipment and may take longer to be processed.
