Continuous Product Development

In line with our policy of continuous improvement the company reserves the right to change specifications without prior notice. The information contained in this publication is representative only of general models and does not form part of any contract.

On 1st July 2007 the WEEE directive became law. After this date certain products will attract a recycling charge either included in the price of the product or as a separate line on the invoice.

All goods supplied are subject to Rexel Senate's Terms and Conditions of Sale, which are readily available, or visit www.senate.co.uk

Unless otherwise stated, any prices quoted do not include VAT which will be charged at the current rate. Whilst every effort has been taken to ensure accuracy, Senate Electrical accepts no responsibility for any errors contained herein.
