

EXIT SIGNS

EXIT SIGNS

A comprehensive range of exit luminaires that are ideally suited to almost all emergency lighting applications and easily fulfill the designers specific needs in most installations.

IP20

EXIT BOX

Part No.	Description	Code
SEMEX83NM+	3 Hour Non Maintained	4440
SEMEX83M+	3 Hour Maintained	4441

SPECIFICATION

A slim and compact 8 watt emergency sign with a viewing distance of up to 30 metres. Particularly well suited to installations where there is limited wall space above a door. A generous downlight panel provides illumination at floor level. A sturdy design with clean lines that makes the fitting both easy to see and complementary to a variety of exit route applications.

NEW FLUSHLITE

Part No.	Description	Code
Luminaires (Recessed Body)		
EL-FL8/3NM	3 Hour Non-Maintained	4808
EL-FL8/3M	3 Hour Maintained	4809
Diffusers		
EL-FL/DIF	Standard	
EL-FL/SDIF	Standard with slot for edge lit legend	
Legends (Edge Lit)		
EL-FL/LEG/R	Running Man/Door/Arrow Right	
EL-FL/LEG/L	Running Man/Door/Arrow Left	

SPECIFICATION

A sleek and impressive recessed emergency luminaire that complements hotel and office interior spaces.

- Fully recessed
- Slim, clean style
- Light engineered diffuser for optimised spacing
- Winged installation feature for ceiling tile mount

The New Flushlite can be installed as a stand alone recessed luminaire by utilising the recessed body and standard diffuser. Alternatively it can be installed as a recessed exit light by selecting the slotted diffuser and appropriate edge lit legend.

EDGE LITE 3

Part No.	Description	Code
Luminaires (Exit Lights)		
EL-EDG8/3NM/S	3 Hour Non-Maintained (Steel)	4810
EL-EDG8/3NM/B	3 Hour Non-Maintained (Brass)	4810
Single Sided Legends		
EL-EDG/LEG	Running Man/Door/Arrow	
Suffix Legends: L = Left, R = Right, D = Down		
Suffix Colours: S = Silver, B = Brass, W = White		

SPECIFICATION

Edgelite 3 is a distinctive example of the traditional edge lit luxury sign. Available in three finishes. Brass, the perfect choice for period or prestige settings. White for modern clean appeal and stainless steel where a contemporary look is required. The body is hung by a hook and chain arrangement that has both an aesthetic and practical appeal.

The mains connector block is seated conveniently in the support pod which can be mounted either on a ceiling or wall.
