

PRODUCT FEATURES

- **High Quality Materials**
 - The Commando range offers remarkable impact strength
 - Outstanding temperature performance and good resistance to chemicals make it ideal for the arduous applications
- **Connection Seal**
 - Prevent accidental disconnection or theft of equipment

- **Tight and Secure**
 - The cable gland has an improved locking mechanism that will apply pressure to the cable for the lifetime of the product.
- **Superior Grip**
 - The new products are designed to fit naturally in hand of the user.
 - The new balanced shape makes the products very comfortable to work with

- **Prolonged Earth Connection**

- The earth connection is specifically designed, so that in the unlikely event of failure of the cable gland and the wires detach from the terminals the earth terminal will be the last to disconnect.
- For extra protection the earth terminal is provided with 2 connection screws

- **Suspension Loop**

- Products can be suspended above the floor, helping to keep the workspace in order.

- **Compact**

- Smaller and compact design

- **Installation**

- Quick and Easy to use
- Improved cable tightening and gland helps to speed up installation
- Clear markings and terminal identification
- Clear instructions for cable strip length, tightening torque and opening of the product.
